

Women's Fall Splendor Paddle Days ***Lodging, meals & day trips from the Tupper Lake area***

Hornbeck solo canoe day trips, autumn colors, group lodging & meals overlooking beautiful Big Tupper Lake

Thursday & Friday, September 29 & 30, 2011

These are the days of color in the Adirondacks. The bugs are no longer a bother and the woods and waters are more peaceful than during the summer months. We invite you to join us for two days of female fellowship and adventure. Each day we will visit a new area within a short drive from Tupper Lake. This is a wonderful time of year to be in the Adirondacks!

The plan... We will meet in Tupper Lake Thursday morning (9:00 AM). After meeting & greeting our "group mates" we will head to our put-in for our first day's paddle. There will be a brief period of instruction & practice with the Hornbeck Boats before we set out for our paddle. We plan to be off the water about 3:00 PM. We will then check-in at the motel, clean up & relax some before dinner. We will depart for Friday's paddle after breakfast and return by mid-afternoon so people can head home. There is another day paddle trip scheduled for Saturday so it's possible to extend this mini get-away for a third day.

We provide Hornbeck solo canoes, paddling gear, lodging & group meals (Thur. lunch - Fri. lunch) for this guided adventure weekend. Beginning paddlers, as well as those with canoe or kayak paddling experience, will enjoy this trip. First timers are very successful with our canoes! Not familiar with Hornbeck canoes? Visit [Hornbeck Boats](#) online. They are awesome boats, are paddled like a kayak and weigh 12-17 lbs. A real treat to paddle!

Day trippers are welcome to join us one or more days. Should you decide you would like a 3-day package for a longer experience, please let us know and we will be happy to arrange a package that including overnight accommodations and meals for one more day. [Contact us](#) for more information about these opportunities.
